WATERFOWL IDENTIFICATION—TRAINING COURSE APPLICATION

Notes :

Waterfowl identification courses are run by volunteer members of CHASA and are held only when sufficient numbers of applicant are received.

Most courses are held after hours, and are generally 3 hours duration. DEW testing can also be coordinated by CHASA this will be confirmed at the time of training

Process

- Once the minimum number of applications are received a course will be scheduled.
- Applicants will be advised of date, venue & times.
- If the scheduled dates do not suit, applicants can cancel or await a course on a later date
